

Ljubljana City Break

Ljubljana – charming central European city

Ljubljana, the capital of Slovenia, is a central European city lying between the Alps and the Adriatic Sea, in a basin where the Ljubljanica river flows into the Sava. It has all the facilities of a modern capital, and yet it has preserved its small-town friendliness and relaxed atmosphere. It is a vibrant city full of surprises. Its surrounding areas, packed with natural beauty and cultural sights bearing witness to the city's dynamic history, are renowned for their walking, hiking and cycle trails and a wide variety of culinary delights.

What to do?

Ljubljana walking tour, Boat ride tour along the Ljubljanica river, Tourist train ride

Funicular ride to Ljubljana Castle

Ljubljana Castle, the city's most striking landmark, adds a special touch to the city's cultural vibrancy. It is an attractive tourist sight and a picturesque venue for concerts, theatre performances, exhibitions, conferences and official functions.

Visit open market, Ljubljanica river and bridges

The Ljubljanica river with its interesting bridges and picturesque old city centre embankments is one of Ljubljana's most distinctive features.

Visit architect Plečnik's creations

The famous architect Jože Plečnik (1872-1957) tried to model Ljubljana, the nation's new capital, on ancient Athens. The so called Plečnik's Ljubljana rates among the 20th century's most prominent total works of art.

Visit Ljubljana Zoo

The Ljubljana Zoo is situated on the southern slope of the Rožnik hill, in a natural environment of woods and meadows of a protected landscape park, just a 20 minute walk from the city centre. It provides home for animal species from all continents with a particular emphasis on those living at the intersection of the Alpine, Pannonian and Mediterranean regions.

Around Ljubljana

Arboretum Volčji Potok (20 km)

The Volčji Potok Arboretum is located on the edge of the Kamniško polje plain. It is one of Slovenia's most frequented botanical gardens, worth visiting at any time of the year. Lying on an 80-hectare site, it supports 4,500 perennial flower, bush and tree species from around the world. The Arboretum's numerous plant beds have been conceived in such a way that different plant species complement each other but are at the same time displayed in all their individual beauty. The Arboretum's energy fields are believed to have a beneficial effect on human body's energy centres.

Postojna cave (53 km)

The Postojna Caves, one of Slovenia's most spectacular natural sights, consist of a 27-kilometre underground system of passages, tunnels, galleries and chambers with wonderful dripstones. The caves, also famous for providing home to the olm (*Proteus anguinus*), an amphibian salamander endemic to subterranean waters of southern Europe, can be viewed from a small cave train.

Golf courses

Slovenia's golf courses cater for beginners and experienced players alike. They are located in different parts of the country, but wherever they are you can admire the natural beauty while taking a relaxing stroll on the fairways. Lessons are available for all those who want to improve their game. One-on-one lessons with pros are also available.

Piran (122 km)

Of the three medieval towns on the Slovenian coast - Koper, Izola and Piran - the picturesque little town of Piran with its Venetian design and a distinctive Mediterranean feel is the most beautiful. Its most impressive sights are the Cathedral of St. George, built in the 12th century, and the Tartinijev trg square, named after the famous Piran-born Italian composer and violinist Giuseppe Tartini.

Soca river valley (130 km)

Due to its lush green colour, the Soča, one of Slovenia's most beautiful and cleanest rivers, has been referred to as "the emerald river". It is renowned worldwide not only for its unique beauty but also for its white water rapids offering some of the best adrenaline-pumping water sports experiences in this part of Europe, including rafting, kayaking and canyoning.
